

Anthony K. Verghese

Permanent Address
10110 Columbine St.
Great Falls, VA 22066
Cell: (703)-268-9327

Temporary Address
8124 Low Rise 8
Ithaca, NY 14853
Email: akv26@cornell.edu

EDUCATION

Cornell University, College of Engineering, Ithaca, NY
Bachelor of Science, Computer Science
Dean's List Award Recipient
GPA: 3.5/4.0

Expected May 2019

Relevant Courses: Object-Oriented Programming and Data Structures with Java, Discrete Structures, Introduction to Computing using MATLAB, Linear Algebra, Multivariable Calculus

Langley High School, McLean, VA
Top 5% of Graduating Class, National AP Scholar
GPA: 3.9/4.0

June 2015

WORK EXPERIENCE

Skirmos Start-Up, Silver Spring, MD, *Intern*

May - Aug. 2016

- Developed a Java program that utilizes object-oriented programming, regular expressions, and the INI library to gather specific data from a file and store information in objects
- Worked with JavaFX to create a GUI component for Skirmos' software products
- Created a more efficient and visually appealing user interface through these projects

Kumon Math and Reading Centers, Reston, VA, *Tutor*

May - Aug. 2016

- Assisted pre-college students with math concepts ranging from Algebra to Multivariable Calculus
- Reviewed and evaluated students' work 15 hours a week, providing feedback as well as explanations

RESEARCH EXPERIENCE

Agua Clara Engineering Project Team, Cornell University, Ithaca, NY, *Undergrad Researcher*

Jan. 2016 - Present

- Used LabVIEW to develop program that determines average size and count of particles present in water
- Developed apparatus to hold camera to take images of water, as a means of properly testing the program
- Transferred program and hardware components to workers at the treatment plants in Honduras and India to ensure that all aspects of the filtration process are functioning smoothly
- Present research and achievements every month in front of all members of Agua Clara

AFFILIATIONS

Association of Computer Science Undergraduates, Ithaca, NY, *Member*

Aug. 2016 - Present

- Attend bimonthly presentations to improve technical skills and develop connections with the CS community

Rotary Club, Great Falls, VA, *President*

Oct. 2013 - Aug. 2015

- Led fundraising events in city of Great Falls and participated in 60+ hours of community service per year
- Collaborated with local community groups to raise over \$1,500 for the Stop Hunger Now charity in 2014

SPECIALIZED SKILLS

Programming Languages: Java, C++, MATLAB, LabVIEW

Other Technical Skills: Object-Oriented Programming; Microsoft Office (PowerPoint, Excel)
